Kelser Corporation provides technology that speaks the language of your business.

For those responsible for vital infrastructure who need technology to enable business growth, Kelser is a technology firm that delivers solutions that inspire confidence. Unlike transactional IT firms, Kelser is vested in the success of each client. In 2011 we established the Kelser Foundation to further the American spirit of giving. Through the generosity and tireless efforts of our employees, families and friends, philanthropy has become more than an initiative - it is our way of life. Some of our benefactors include: American Lung Association of New England, Big Brothers/Big Sisters, Hospital for Special Care, Manchester Community College, Travelers Championship, Vietnam Veterans of America, We Are The Children.

Hospital for Special Care (HSC) is the fourth largest, free-standing long-term acute care hospital in the U.S. and the only one in the nation serving adults and children. HSC is recognized for advanced care and rehabilitation in pulmonary care, acquired brain injury, medically-complex pediatrics, neuromuscular disorders including ALS research, spinal cord injury, comprehensive heart failure and comprehensive inpatient and outpatient treatment for children and adolescents with autism spectrum disorder. Located in New Britain and Hartford, CT, HSC operates inpatient and outpatient facilities serving Southern New England and the Tri-State area on a not-for-profit basis.
